

Parent, Child and School Behaviour Contract

Issued May 2016

Children at Hill View School are well behaved and build strong relationships with each other. This is because parents and the school work together to help our children learn how to take responsibility for their actions and make positive behavioural choices.

As a pupil of Hill View School, I agree to:

- Treat others how I wish to be treated
- Work hard and take pride in what I achieve
- Not abuse others, in particular in a racist manner
- Not swear or use bad language
- To include and listen to others
- To be polite and respectful at all times
- To take care of school property
- To listen to and follow the advice and instruction of school staff
- To behave in a safe manner
- To help myself learn and to help others
- To accept responsibility for my actions
- Not to prevent others from learning
- To cooperate with other people

As a parent of a Hill View Pupil, I agree to:

- Ensure my child comes to school regularly and on time
- Ensure my child receives an adequate breakfast or attends breakfast club each day
- Ensure my child is well rested and has an age appropriate bedtime
- Work with the school when situations arise to tackle issues together
- Inform the school of any concerns or worries I or my child has
- Recognise the impact that the behaviour of my child can have on others
- Understand that only more serious or regular displays of negative behaviour will be reported to me
- Act on advice and support offered by the school to promote good behaviour
- Treat all children and staff of Hill View School with respect
- Read the Parent Code of Conduct, a copy of which is available on our website

All members of the Hill View staff, agree to:

- Treat all children equally and with respect
- Use the Stars and Clouds and Golden Rules system to promote positive behaviour and support children's understanding of what is unacceptable behaviour
- Use the reward systems within school including house points and treasure chest to highlight and recognise positive behaviour
- Listen to children and understand all sides in a situation
- Respond to parent and child concern and take action where necessary
- Deal with inappropriate behaviour of both children and adults in considerate yet firm manner implementing sanctions where appropriate
- Provide intervention and support where required to both victims and perpetrators of negative behaviour
- Educate the children in our care with the aim of eliminating bullying and discriminatory actions towards others
