

## Download the School Gateway APP and Help Save the School Money

**We have recently changed our text messaging system – and you can help the school save money. Simply download the School Gateway APP. This will mean that ALL texts sent to your phone via the School Gateway APP are FREE to the school (and you). See the instructions below on how to download the app.**

A new, free, smartphone app for parents is now available for download called 'School Gateway' for Apple (iPhone 3GS or later, iPad, iPod Touch) and Android (2.3 / Gingerbread or later) devices.

**Please could you download this new app to your phone (it's free) as it will help us improve communication with parents – and save the school money.**

The set-up process is simple and will take no more than a couple of minutes:

1. Search for "School Gateway" in the Apple App Store/Google Play or on your phone go to [www.schoolgateway.com/apple](http://www.schoolgateway.com/apple) (Apple) or [www.schoolgateway.com/android](http://www.schoolgateway.com/android) (Android)
2. Install the app and if you are asked then say yes to "Allow Push Notifications"
3. When you launch School Gateway for the first time, please select 'New User' and enter the email address and mobile telephone number you have registered with the school
4. The system will send a PIN code to your phone; please enter this PIN code and the app will be activated for you. As soon as you've got the system set-up, all of the text messages we send you will appear in the app; you'll receive notifications/alerts as normal.

If you've recently changed your email address or mobile telephone number, please let us know so we can update our records.

Thank you for your help.
