

Hill View Primary School
 The best in everyone™
 Part of United Learning

Foundation Stage at Hill View Primary School

In our Early years unit we provide a safe, stimulating environment and inspire our children to become happy, inquisitive learners. We focus on our children as individuals, and through our high expectations, encourage them to develop self confidence, perseverance and independence.

Our children have opportunities to learn through play both inside and outside and through both adult focussed and child lead learning. We encourage our children to lead their own learning by selecting and using resources, and they have opportunities to influence our curriculum planning with their own ideas.

Each week, our nursery children have whole class sessions based around Literacy, Maths and Phonics. The teaching of Phonics is supported by Letters and Sounds and Read Write Inc. Learning in nursery is led by book themes and the children’s interests as individuals.

In Reception we teach three discreet lessons during each day – Literacy, Maths and Phonics. We use Read Write Inc to support the teaching of phonics. Our children access all other areas of learning through our termly themes and through a combination of adult focused activities and child led learning.

Reception Themes					
Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
All about me Diwali	Traditional Tales Christmas	Health Chinese New Year	Superheroes Easter	Animals St Georges Day	Growth and change Eid
