Partnership Overview

- NOSSP will continue in its determination to make a positive difference to the lives of young people through Play, High Quality PE, School Sport and Physical Activity.
- We aim to deliver bespoke school support to respond to the needs of local school communities. Post pandemic supporting students mental health and wellbeing through physical activity is a major priority.
- We are passionate to ensure all young people in North Oxfordshire are Healthy, Happy and Active. Using our growing network of partners, responding to societal changes and local need we are looking forward to building on 17 years of success as a School Sport Partnership over the coming years.
