What are your plans for 2025/26	How have you achieved these plans?	What impact/sustainability have you seen and what evidence do you have?
INTENT	IMPLIMENTATION	Impact, evidence and sustainability
Teachers to deliver high quality, progressive, inclusive PE curriculum	Piloted new gymnastics scheme of work (Max Whitlock) Progressive, varied and inclusive Curriculum map. Little sticks golf.	Following on from several successful years using Complete PE we decided to introduce new sports to the curriculum such as Quidditch, golf and orienteering. The sports were a big success as we saw higher levels of engagement. The curriculum map is designed to allow progression and knowledge and key skills from reception to year 6. Max Whitlock online resource for teachers offering fun, high-quality and easy to follow Gym lessons with video tutorials and break down of skills. Staff found this very useful and expressed how much more confidence they had delivering Gymnastics using this new resource.
Provide staff with professional development, mentoring, appropriate training to help them to teach PE and Sport more effectively to all students.	Audit teaching confidence against the curriculum map. Provide targeted CPD/ support. All teachers to have access to Complete PE online portal.	Targeted CPD provided based on the audit plus new sports introduced- • Rugby CPD for whole school delivered due to the transition to T1 rgby from tag rugby. CPD delivered by Banbury Rugby coach after school. • Gymnastics whole staff CPD delivered by SGO. • Cricket CPD for year 4/5 teachers delivered by Oxfordshire cricket Coach through modelling of year 4/5 lessons. • Golf whole school CPD delivered by SGO and PE specialist. • Whole school OPAL training. • Healthy Mover CPD for KS1 and EYFS staff delivered by Healthy Movers coach. Staff feel more confident teaching PE as CPD is targeted to the needs of the staff. We will continue to deliver CPD for other sports over the coming year.

Use physical activity as a tool to support social and emotional needs	• Sensory circuits • Morning movers • Well-being Wednesdays • Physical interventions x3 KS2 children	Sensory circuits- Targeted at children with social and emotional needs. Activities help regulate emotions and organise sensory inputs. Run every morning for 32 children across two sessions. Session 1- year1-3 and session 2- year 4-6 Very successful with amazing feedback from teachers. Morning movers- Targeted children from across yea 3-6 who have low attendance percentage. Club runs every Mon/Wed/Friday before the school day. The club is run by PE specialist who runs a variety of fun physical activities. Up to 20 targeted children attend. We have seen an increase in school attendance in the majority of children that attend. We are looking to continue this next year and potentially expanding into KS1. Well-Being Wednesdays- Activities delivered by our Welfare staff who offer fun activities such as Yoga, Music, Dance and Karaoke for all children across year 1-6. On average up to 35-40 children attend across lunchtime. Physical interventions- Weekly physical interventions for 3 of our year 3 children who have physical needs. The children are regularly checked for their progress from an NHS physiotherapist. Programmes and exercises are given to staff member to use to help improve the children's range of movement.
Provide a broader and more equal experience of a range of sports and activities.	Bikeability National initiatives	Bikeability- 24-year fives completed their Bikeability level 1 and 2 award. We are looking to expand this number over the coming years. National initiatives

	Boost girls rugby participation Ensure football is equal for girls and boys	England's biggest Ever Girls Football Session Shooting star FA programme- We were lucky enough to be chosen to be filmed with the new relaunch/scheme of work from the FA. 26 of our KS1 girls took part. Banbury Community Rugby Coach delivered girls only afterschool rugby club. 12 girls from across KS2 participated. We then had T1 rugby delivered to our year 4 cohort in term 4 in curriculum time for the whole term. Boys and Girls teams entered the U11 Banbury Schools League. Afterschool training once a week for both teams. Separate boys and girls football afterschool clubs run by Banbury United throughout the year. Awarded Barclays Girls Football Schools Partnership Award which recognise equal access for girls in football within schools.
Continue to work at Platinum level of the School Games Mark	Apply for School Games Mark	Successfully re-awarded Platinum School Games Mark. The award is in recognition of our commitment to the development of competition across the school and into the community, our sports leadership, our club offer, inclusion and all the values we promote through PE and Sport.
Run intra-school events to ensure that all children have opportunities to play competitively		• KS1 and KS2 Netball/Dodgeball House competition • KS1 and KS2 Handball/Dodgeball competition • Whole School Santa Fun Run- raised money for Katharine House Hospice. • Whole School Sports Days- House Competition
Participate in a wider inter-school opportunities to ensure that all KS1 and KS2 children have further opportunities to play competitively/attend inter-school events	Affiliate to NOSSP and participate in their events programme Ensure all abilities are included	This year we have taken part in 25 NOSSP events and have had a total of 387 participants. We had 307 different children from year 1-6 attend a festival/competition. 416 children year 1-6 74% of the school population attended an event 55% of our SEND population attended an event 59% of our PP population attended an event The figures above show that we are taking the right children to the right types of festivals/competitions. Continue to work closely with different community clubs offering opportunities for all children to play sport outside of school	Provide students with good wide range of opportunities outside of school	We continue to work closely with Banbury United FC and Banbury Rugby Club as well as Oxfordshire cricket. All 3 providers offer after school clubs as well as support in curriculum time. We have also attended a Banbury United football match where the school all got in for free with some children having the opportunities to be mascots. We will continue to look for more local partners in a variety of sports over the next academic year. Also we introduced our local sports club wall which has contact information of over 20 different clubs in the local area.
Introduce a forest school programme for the whole school.	Improve physical activity offer in a variety of ways X2 staff members trained.	We introduced a forest school scheme of work this year with a local forest school company. Every class across the school received a term of forest school provision. We have also had two members of staff forest school trained so that we can continue forest school provision for the whole school for years to come.
Continue to provide leadership opportunities for students	Further develop sports leadership roles. Sports leaders to help run lunchtime activities and whole school events	Sports ambassadors supported and delivered lunchtime club for KS1 children across the academic year. Sports Ambassadors had a very active role in organising equipment, setting up lessons, supporting lessons and other roles required by the PE specialist.

		Oxfordshire coach delivered Chance to Shine Playground leader training for 16 year5/6 children. Sports Ambassadors helped organise and deliver sports days and house competitions. OPAL rangers helped with supporting the amazing OPAL programme we have at playtimes.
Enhance the provision at break and lunchtimes to give all children a wider variety of play options to help improve fine and gross motor skills.	OPAL	Introduction of OPAL this year has had a huge impact on our breaktime offer. Children have a freedom to chose what they play with including sports, forest, building, games, reading, climbing etc. Children have longer to play as once they have finished their lunch they go back out to play. We have seen a big decrease in negative behaviour and an increase in social skills such as sharing, taking turns etc. Our last pupil voice about OPAL was extremely positive with children expressing how much it ha improved their playtime experience.

Aims for next academic year-

- To improve year 6 swimming outcomes to increase 25m competence to 75%+ with next year's cohort.
- To further improve staff confidence in all areas of PE sport. Deliver bespoke and targeted CPD.
- To enter more inclusive competitions/festivals to increase number of different children that attend inter-school competitions.
- To further enhance community links with sports clubs in the Banbury area.
- To explore running more targeted group interventions across the school.
- To enhance after-school club offer for across the school.
